Success For All

12<sup>th</sup> August 2020

Dear First Year Student,

**RE: “My Life So Far” Project. First Year Class of 2020.**

We are very much looking forward to welcoming you to your new school. To help your Form Tutors, Year Head and Teachers get to know you a bit better we would like you to produce a project about you called “My Life So Far”.

The project should tell us as much as possible about your life so far. Your name, primary school(s), your family, hobbies, interests, favourite subjects, achievements, sports, travels, holidays, music, art etc. the list is endless. The more we know about your interests and life so far, the quicker we will get to know you and help you settle into your new school.

The project can take any format you wish. **There are no rules, so be as creative as you want.** Examples include:

*A written piece of work; an art project; a written booklet; a photostory; a cartoon; a poem; a video; a powerpoint presentation etc.. The list goes on.... be as creative as you want! In the past we have had some really wonderful, innovative and creative projects.*

Please bring your project to school with you on your induction morning on the 28<sup>th</sup> August 2020 and give it to your form tutor. Awards will be given out for the best and most creative projects. Form Class and Year Group winning projects will be selected to be displayed around school and on our website.

I look forward to seeing you all on the morning of the 28<sup>th</sup> August 2020.

Le Meas
