## **Covid -19 (Corona Virus) memo to Parents 11<sup>th</sup> March 2020**

A Chara

The number of confirmed cases of Covid-19 (Coronavirus) in Ireland has increased in recent days. For our part in school, we are following all advice from the Department of Education and Skills and the Department of Health. These measures include:

- Maintaining good hygiene in school.
- Avoiding contact with patients of the virus.
- Maintaining awareness of possible symptoms.
- Other advice in the Health Protection Surveillance Service
- <https://tinyurl.com/tqfqqd7>
  
- We have updated our student contacts database.
- All students have their school email accounts operational.
- All teachers have the school email address for each of their students.
  
- Students should take their iPad (if applicable) along with a selection of books and important study materials home each evening. Lockers should be used to store only a minimum amount of non-essential materials.

These actions will help us to let you know of any emergency actions required. They will also allow our teaching staff to maintain instructions for study / revision / learning for your child.

Thank you for your continued cooperation and support.

Le Meas

Thomas Sharkey Principal
