Coláiste Chú Chulainn
Success For All

18th November 2020

Dear Parents/Guardians,

We have decided to set up a social study club for a select number of first and second year students. The social study club will help develop student confidence and provide further encouragement for them to mix, integrate and learn with each other. By catering for the social needs of our Junior Cycle students their academic performance will therefore also be positively enhanced. We are hopeful that along the way we will also include valuable study skills to further develop student confidence and performance.

The social club will involve activities such as: teambuilding, educational games, development of social skills and specific study skills, as well as creating opportunities for lifelong friendships to be formed and developed.

We are inviting your child to join the social study club as we feel it would greatly benefit your child for the oncoming years in Coláiste Chú Chulainn. The social club will commence on **Wednesday 25th November and every Wednesday thereafter from 1:15pm to 2:15pm.** The social club will gather and meet in the school canteen and a snack will be provided. (This may lead to additional days during the week added depending on interest received). A roll call will be taken at every social club meeting and absences will be recorded.

If you wish your son / daughter to participate please complete the attached permission slip and return it to any of the teachers listed by **Monday 23rd November.** The club will adhere to all Covid 19 school policies and regulations. Any student who fails to comply will be asked to leave the club. For further information or if you have any concerns please feel free to write us a note in the student journal.

Kind Regards

Katie Ward
