All students are required to be **on time**, in full **uniform** and have school bags and copies, pens etc.

It is vital that you ensure that the **School Direct Contribution of €235** has been paid in advance of the school term beginning.

Information on the **cashless canteen system** is with this letter.

I am also enclosing a pack of documentation which you must complete for every student and return it with them on their first day.

Covid 19 is still with us. We will continue to follow our routine of masks, sanitising, distancing etc. until national guidelines are amended. **Make sure your student has their own face mask at all times.**

This will be a good year. We have made massive improvements in our school and your student's learning and are confident of making even more progress.
